Here is how the final grade for Constitutional Law will be calculated.

In-video quizzes accompany each lecture. They do not count toward your final grade. They are provided so that you can assess your comprehension through immediate feedback. You will be able to answer each in-video quiz question up to 3 times.

You will be asked to take three Mastery Quizzes throughout the course. Each quiz will contain approximately 10 questions. You will only be allowed to submit each quiz one time. You will have one week to complete each quiz in order to be eligible for full credit. After the first deadline passes, you will have one additional week to submit your quiz if you missed the first deadline. However, your grade on that quiz will be reduced by 5% each day that passes.

You will be asked to submit three writing assignments that will be reviewed and graded by three of your peers. In addition, in order to be eligible for full credit on the written assignments, you will need to grade three of your classmates written assignments.

Together, the quizzes are worth 40% of your total grade. The three writing assignments are worth 60%.

**You will have the opportunity to earn a Statement of Accomplishment or Verified Signature Track Certificate in this course. Students will need to earn a final grade of 70% or greater to achieve the Statement of Accomplishment or Verified Signature Track Certificate.**
